Pokémon Scarlet

Vrn. NITSW211208

Catch, battle, and train Pokémon in the Paldea Region, a vast land filled with lakes, towering peaks, wastelands, small towns, and sprawling cities. Explore a wide-open world at your own pace and traverse land, water, and air by riding on a form-shifting Legendary Pokémon—Koraidon in the *Pokémon Scarlet* game and Miraidon in the *Pokémon Violet* game. Choose either Sprigatito, Fuecoco, or Quaxly, to be your first partner Pokémon before setting off on your journey through Paldea.
