Oddworld (Complete Collection)

Vrn. ET1176758

- Oddworld: Stranger's Wrath: Oddworld: Stranger's Wrath features a unique hybrid viewpoint where players can switch between first and third person at will, depending on their situation; first person for combat situations, third person for world traversal
- Oddworld: Munch's Oddysee: Switch between Abe and Munch and use special powers, cool power-ups, and other special abilities to reclaim the last Gabbit Eggs on Oddworld, which have been packaged in a can of Gabbiar; may odd help you
- OddWorld: New 'n' Tasty: Oddworld: New 'n' Tasty is a ground-up remake of the puzzle-platforming adventure Oddworld: Abe's Oddysee.
